Jim - do you have a sense for whom and how EPA is going to field these inquiries? I wonder whether this might be best fielded back in DC? by OEI?

Dear Ms. Mravik,

My name is John Fenton. My family and I live in the area being investigated east of the town of Pavillion, Wyoming. At whose request was the public comment period extended and the peer review delayed.

Thank you for your time and consideration.

Respectfully,

John Fenton
